Original Text

The total duration of the consultant's assignment is scheduled for up to 48 months.

The Implementation consultant shall undertake the following activities in collaboration with Project Implementation Unit (PIU):

- I. Assist PIU in the day-to-day operation of the C4E (incl. financial management)
- II. Elaborating the project details and develop the project operation manual;
- III. Support in the preparation of project reports;
- IV. Provide advisory and assist in designing and implementing the Tender Processes for an online platform, the project voucher system, the makers Space (common user facility);
- V. Developing an M&E framework for the Project, including baseline and tracer studies;
- VI. Monitoring of the implementation of environmental and social matters as well as the application of health and safety standards;
- VII. Develop the criteria for accreditation for service/providers and management;
- VIII. Advising SDMSMEs on the best interventions to implement and sustain the Project from time to time;
- IX. Close collaborations/coordination with German Technical Cooperation (TC) that is further supporting the Project through complementary TC measures, as well as other relevant actors in Kenya;
- X. Develop collaboration framework with other government institutions in identifying MSMEs that
